

To whom it may concern

At the outset, we would like to express our appreciation for the ongoing activities of the Polish Association of Therapists of the Domančić Method, consistently serving as an example of collaboration for over a dozen years. This official institution, operating with our approval, has continuously undertaken efforts to popularize the method, endorsed group therapies (in the initial years of operation), provided substantive and legal support, deserving gratitude and recognition. We have never felt the need to intervene in the association's activities before because its actions have been exemplary. We extend special thanks to the President of the Association, Mr. Witalis Kobus, for his unwavering efforts in promoting the method, maintaining the association's activities, and publishing two books on the subject. Our concerns relate to other matters.

COLLECTIONS FOR STATUTORY ACTIVITIES

It is disappointing that individuals with experience and knowledge are asking for money on the Internet instead of taking actions to popularize the method through organizing and conducting therapies. [Link to fundraising page:

EDUCATION, CERTIFICATION, PRACTICING THE METHOD

Therapists without certification - illegal practice. As an association granted permission to operate through Ms. Martyna Fon Zvegelj, you are obligated to uphold the good reputation of the method in Poland, especially in terms of respecting the code of ethics and promoting the method. Individuals who have not completed the entire training program and, consequently, have not undergone the necessary examination procedure for obtaining permission are not therapists of my method but practitioners at levels 1 and 2. Such activity, conducted under the name and surname Zdenka Domančić®, is considered unauthorized by Domančić® d.o.o. and therefore - illegal. The education of therapists is conducted exclusively and only in cooperation with Domančić® d.o.o. and in Poland in agreement with the representative of the method - the training institution Energia Vita Martyna Fon Zvegelj. The education of future therapists is an important and responsible task that cannot be carried out without specialized supervision. Education, refresher workshops, therapeutic practices, internships cannot be organized and conducted by self-proclaimed entities, as it threatens the appropriate level of specialized work, credible education, and the credibility of my method.

We look forward to fruitful cooperation,

Tanja Domančić, Director of Domančić, and Zdenko Domančić, the creator of the method.

HR

Na početku želimo izraziti svoje poštovanje prema kontinuiranim aktivnostima poljskog udruženja terapeuta metode Zdenka Domančića, koje već desetak godina dosljedno predstavlja primjer suradnje.

Ova službena institucija, koja djeluje uz našu suglasnost, neprekidno poduzima napore u popularizaciji metode, podržava grupne terapije (u početnim godinama rada), pruža suštinsku i pravnu podršku, zaslužujući zahvalnost i priznanje. Nikada prije nismo osjećali potrebu da se miješamo u aktivnosti udruženja jer su njegove akcije bile uzoran primjer. Posebno zahvaljujemo predsjedniku udruženja, gospodinu Witalisu Kobusu, na neumornom zalaganju za promociju metode, održavanje aktivnosti udruženja i objavljivanje dvije knjige na temu metode. Naša zabrinutost odnosi se na druga pitanja.

INTELEKTUALNO VLASNIŠTVO

Korištenje imena i znaka Zdenka Domančića® predstavlja zaštićeno intelektualno vlasništvo. Vlasnik prava intelektualnog vlasništva Zdenko Domančić® je tvrtka Domančić d.o.o. te korištenje i sve aktivnosti povezane s korištenjem njegovog imena i znaka definirane su od strane tvrtke Domančić d.o.o. iz Slovenije. Zakon o intelektualnom vlasništvu obuhvaća sustav pravnih instrumenata koji reguliraju način stjecanja prava intelektualnog vlasništva i način zaštite od njegove neovlaštene uporabe. Samo ovlaštene osobe i subjekti pod ugovorom mogu koristiti i imati koristi od elemenata marke, znaka, vizualne identifikacije, provoditi radionice i koristiti informativne medije koji su sastavni dio poslovanja. Za više informacija o korištenju intelektualnog vlasništva Zdenka Domančića®, možete dobiti putem e-maila: info@zdenkodomancic.com. Domančić d.o.o. izražava nezadovoljstvo neprofesionalnim ponašanjem i neovlaštenim korištenjem imena Zdenko Domančić® u domeni <https://www.zdenko-domancic-terapeuci.pl>, stoga se zahtijeva odmah promjena domene.

SKUPLJANJE SREDSTAVA ZA STATUTARNU DJELATNOST

Razočaravajuće je što pojedinci s iskustvom i znanjem traže novac na internetu umjesto da poduzimaju akcije kako bi popularizirali metodu organiziranjem i provođenjem terapija. [Poveznica za prikupljanje sredstava: https://zrzutka.pl/n7ppper?fbclid=IwAR03cZd0gMyY63u2_Tk2tK6O1vpW22EKXqznTejWigUN48EC1OpOMS_cpgs] Zbog neovlaštenog korištenja imena metode, zahtijeva se odmah uklanjanje kampanje prikupljanja sredstava.

EDUKACIJA, CERTIFIKACIJA, PRAKTICIRANJE METODE

Terapeuti bez certifikacije - nelegalna praksa. Kao udruženje kojem je odobrena dozvola za rad putem gospođe Martyny Fon Zvegelj, obavezani ste čuvati dobar ugled metode u Poljskoj, posebno u smislu poštovanja etičkog kodeksa i promoviranja metode. Osobe koje nisu završile cijeli program edukacije i stoga nisu prošle potrebnu proceduru ispitivanja za dobivanje dozvole, nisu terapeuti moje metode, već praktičari na razinama 1 i 2. Takva aktivnost, provedena pod imenom i prezimenom Zdenka Domančića® smatra se neovlaštenom od strane Domančić d.o.o. i stoga - nezakonitom. Edukacija terapeuta provodi se isključivo i samo u suradnji s Domančić d.o.o. i u Poljskoj u suglasnosti s predstavnikom metode - institucijom za edukaciju Energia Vita Martyna Fon Zvegelj. Edukacija budućih terapeuta važan je i odgovoran zadatak koji se ne može provoditi bez specijaliziranog nadzora. Edukacija, radionice, terapeutske prakse, stažiranja ne mogu organizirati i provoditi samoproglašene jedinice, jer to ugrožava odgovarajuću razinu specijaliziranog rada, vjerodostojno obrazovanje i vjerodostojnost moje metode.

Radujem se suradnji,

Tanja Domančić, direktorica Domančića, i Zdenko Domančić, tvorac metode.
